Dear FilmLA,

I'm writing to confirm that director Asher Tessier and producer Emma Choate are undergraduates at Occidental College producing a short fictional film entitled *Sometimes, at Night, I Get so Lonely I Genuinely Consider Re-Joining Scientology* under the auspices of our MAC 491 Senior Comprehensives class. The students are seeking a permit to shoot a sidewalk dialogue scene, filmed hand-held, with a small four-person student crew and two actors.

This student project is covered under Occidental's liability insurance, and any questions regarding this policy can be directed to James Andersen in Occidental's Office of Risk Management (323-259-2646; andersenj@oxy.edu).

As with all student production at Occidental, the film in question is being produced for academic credit and not for commercial purposes.

Thanks in advance for your support of our student filmmakers!

Sincerely,

Broderick Fox
